Independent Auditors' Report to the members of Cybele Industries Limited

Report on the financial statements

We have audited the accompanying financial statements of Cybele Industries Limited ('the Company'), which comprise the balance sheet as at March 31, 2013, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ('the Act'). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence, about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor consider the internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the

said financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the balance sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) in the case of the statement of profit and loss, of the profit for the year ended on that date; and
- (c) in the case of the cash flow statement, of the cash flows for the year ended on that date.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order"), as amended, issued by the Central Government of India in terms of section 227(4A) of the Act, we enclose in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
2. As required by Section 227(3) of the Act, we report that:
 - (a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of the books of account;
 - (c) The balance sheet, statement of profit and loss, and cash flow statement dealt with by this report are in agreement with the books of account;
 - (d) In our opinion, the balance sheet, statement of profit and loss, and cash flow statement dealt with by this report comply with the accounting standards referred to in section 211(3C) of the Companies Act, 1956; and
 - (e) On the basis of written representations received from the directors as at March 31, 2013, and taken on record by the board of directors, we report that none of the directors is disqualified as at March 31, 2013, from being appointed as a director in terms of section 274(1)(g) of the Companies Act, 1956.

CYBELE INDUSTRIES LIMITED

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements:

The financial statements of the company are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historic convention on the accrual basis except for certain financial instruments which are measured at fair values. The company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under the Companies (Accounting Standard) Rules 2006 (as amended) the relevant provisions of the Companies Act 1956. Accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

1.2 Use of estimates:

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period.

Estimates are based on the current events and actions and the actual results could differ from those estimates from period to period. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in the estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

The management periodically assesses using external and internal sources whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset other than goodwill is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset other than goodwill is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

1.3 Revenue Recognition:

The company follows the mercantile system of accounting and recognizes income on accrual basis, in accordance with the requirements of the Companies Act, 1956.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be readily measured. For some of the services rendered, the company collects service tax on behalf of the government and therefore, it is not an economic benefit flowing to the company hence it is excluded from revenue.

Income from operations comprises of income from the following heads mainly freight forwarding, customs clearance, logistics and support services, warehousing etc., representing the gross value of service rendered by the company to its customers.

Interest is recognized using time proportion method based on the rates implicit in the transaction. Interest income is included under the "Other Income" in the statement of Profit and loss.

1.4 Fixed Assets:

Fixed assets are stated at acquisition cost less accumulated depreciation and impairment if any. Direct costs are capitalized until fixed assets are ready for use. Computer equipment includes bought out software.

Advances paid towards acquisition of fixed assets are disclosed as capital advances.

CYBELE INDUSTRIES LIMITED

1.5 Depreciation and amortization:

Depreciation of fixed assets is provided on straight line method. The depreciation rates prescribed in Schedule XIV to the companies Act, 1956 are considered as the minimum rates. Depreciation on additions to fixed assets has been calculated on pro-rata basis. Individual low cost assets (acquired for 5000/= less) are fully depreciated in the year of acquisition.

1.6 Inventories:

Inventories comprises of raw materials, work-in-process and finished goods pertaining to cable division and land bank pertaining to property division are valued at lower of cost and net realizable value.

1.7 Investments:

Trade investments are the investments made to enhance the company's business interests. Investments are either classified as current or long term based on managements intention at the time of purchase. Investments which are readily realize and intended to be held for not more than one year from the date on which investments are made, are classified as current investments.

Current investments are carried at the lower of cost and fair value of each investment individually. Long term investments are carried at cost less provisions recorded to recognize any decline, other than temporary, in the carrying value of each investment.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

1.8 Employee Benefits:

All employee benefits payable within twelve months of rendering the service are classified as short term employee benefits. Short term employee benefits in the nature of salary, wages, bonus, leave encashment and the expected cost of ex-gratia are recognized and accounted for on accrual basis in the period in which the employee renders the related service.

Provident fund and employees state insurance scheme is a defined contribution plan, each eligible employee and the company makes equal contributions at a percentage on the basic salary specified under the employee's provident fund and miscellaneous provision Act,1952 and employees state insurance act,1948 respectively. The company's contributions are charged to the profit and loss account in the year when the contributions to the respective funds are due. The company has no further obligations under the plan beyond its periodic contributions.

1.9 Borrowing costs:

Borrowing costs are recognized as an expense in the period in which they are included.

1.10 Taxation:

Tax expenses comprise current tax. Current income tax measured at the amount expected to be paid to the tax authorities in accordance with the income tax act,1961. A provision is made for income tax annually based on the tax liability computed after considering tax allowances and exemptions. The tax rates and laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflects the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for earlier years. Deferred tax on timing differences between taxable income and accounting income is accounted for, using the tax laws enacted or substantially enacted as on the balance sheet date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for all deductible timing only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

CYBELE INDUSTRIES LIMITED

1.11 Cash and cash equivalents:

Cash and cash equivalents comprise cash and cash on deposit with banks. The company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

1.12 Cash flow statement:

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

1.13 Provisions:

Provisions are recognized when the company has a present obligation, as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

1.14 Segment Reporting:

The Company is engaged in the business of manufacture of Cables and Property development / real estate activities. The Company has no reportable geographical segments. The company has complied in accordance with Accounting Standard 17 on Segment Reporting issued by the Institute of Chartered Accountants of India.

1.15 Earnings per share:

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. For the purposes of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.
